

# HINDSIGHT VINEYARDS

2020  
**SAUVIGNON BLANC**  
NAPA VALLEY

*In hindsight there was no better taste.*

We are excited to announce the introduction of Hindsight Sauvignon Blanc to our portfolio! The production of this world-class wine was managed by our renowned winemaker, Michael Weis. Michael has vast experience and has made some of the best Napa Valley Sauvignon Blancs over the last 30 years.

#### **TASTING NOTES:**

This inaugural release of 2020 Hindsight Sauvignon Blanc is an artfully crafted expression of classic Napa Valley Terroir – vibrant ripe stone fruit, green apple, lime peel, and hints of freshly cut grass backed by delicate floral highlights. The aromas jump right out of the glass! Subtle creamy notes are in perfect harmony with the crisp fresh entry and are accentuated by a citrus zest finish. The wine was blended with a touch of Viognier to give texture and to balance the myriad of elements for a wonderfully refreshing wine. Sunshine in a glass!

#### **VINEYARD & WINEMAKING:**

Our 2020 Sauvignon Blanc was fermented at cool temperatures in stainless steel with the intention of preserving every bit of youthful fruit. It was then barrel-aged for a small amount of time in neutral oak. The wine is ready to be enjoyed now.
