

HINDSIGHT VINEYARDS

2012

ESTATE PETITE SIRAH

CALISTOGA, NAPA VALLEY

In hindsight there was no better taste.

Looking back on our humble beginnings, Hindsight 2012 Estate Grown Petite Sirah is the first vintage of Petite Sirah produced from our three-acre vineyard located at the north end of Napa Valley in Calistoga. The vineyard produced slightly more than 7 tons, resulting in a dense, powerful wine.

TASTING NOTES:

Dark and full bodied, this wine showcases flavors and aromas of blackberry, white pepper, leather, and oak that lead to a lush mid-palate and long, lingering finish.

VINEYARD & WINEMAKING:

These grapes were cold soaked for 6 days prior to fermentation to maximize the extraction of color, weight, aromatic and flavor components.
